rain? Just a litt - le rain Just a litt - le rain  
rain? Just a litt - le rain Just a litt - le rain

done to the rain? Just a litt - le rain, a litt - le rain  
done to the rain? rain? Just a litt - le rain, a litt - le rain

rain? Just a litt - le rain Just a litt - le rain  
rain? Just a litt - le rain Just a litt - le rain

Dieses Lied entstand in den USA nach den ersten Atomversuchen, als es zum ersten Mal einen "fall out" gab, einen radioaktiv verseuchten Regen. 1986 gab es infolge der Katastrophe von Tschernobyl auch in Deutschland und in anderen Ländern einen radioaktiv verseuchten Regen. Leider ist das Lied wieder aktuell geworden durch den GAU in Fukushima.
